HILTON HIGH SCHOOL
HILTON, NEW YORK

FOREWORD

MISS EDITH STANGLAND

SINCE living, and not business is the real end in life, your goals should be planned from the point of view of living as well as of business and industry. Every man and woman should be helped to discover some form of beauty which he can really make his own whether it be beauty of line, form, color, or sound.

You have spent the first few years of your life at Hilton High School to prepare yourselves for leadership and helpfulness in any one of many fields. It was the hope of all of us that you would take advantage of the opportunities offered in Hilton to become acquainted with and master the tools that would equip you to meet the objectives, aims, and principles of your chosen vocation.

As the class of 1948, your achievements have been many and varied. Your scholastic record has been proven by the fact that you are to be graduated. No class in recent years has been able to compete with or claim the success that you have accomplished working as a team. Do you realize the great number of principles that you have learned by your participation in athletics? By participating in regular activities, you have naturally received much health training besides learning the importance of good body mechanics and developing and maintaining a strong, healthy body. Physical recreation contributes to the development of better mental health by providing opportunities for relaxation and freedom from worries. The experiences involving successful achievement, cooperation with a social group, a sense of belonging and being accepted, are recognized to be of much value in integrating a well-balanced personality.

An excellent opportunity has existed for the development of desirable character traits such as: courage, initiative, perseverance, self-control, honesty, loyalty, justice, cooperation, courtesy, etc. There were innumerable situations in which satisfaction and emotional expression were associated with desirable ways of behaving. You have had many experiences which you will meet throughout life.

Other than the physical and social aspects, you have made many cultural developments. The appreciation of music and rhythmic, an understanding of the interdependence of individuals and groups should have helped you develop within yourself a broad, sympathetic understanding and tolerance for others.

As you go about the process of applying what you have learned to the business of living, it is our hope that you will prove yourselves winners as you have in school so that we may be proud of you, and you in turn, proud of Hilton High School.

DEDICATION

MISS GERTRUDE SKIVINGTON

A CLASS that has the same advisor for its entire high school period is indeed fortunate. A feeling of mutual pride and unity develops and is maintained.

Miss Skivington has been with us all through our four years and has been our teacher and our friend. To her we owe the success of all of our plays, dances, and other activities, for she has helped, worked, and guided us continually.

We, the class of 1948, gratefully dedicate this, our yearbook, to Miss Gertrude Skivington, with sincere appreciation for her loyalty, guidance, and friendship.

BOARD OF EDUCATION

Harold Taber, Clerk

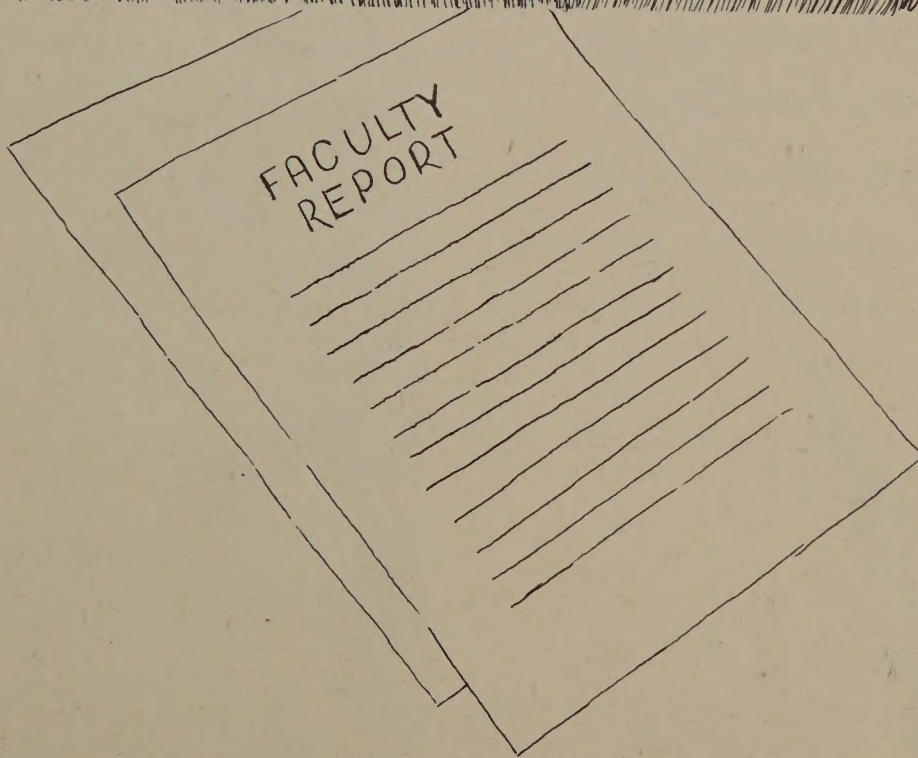

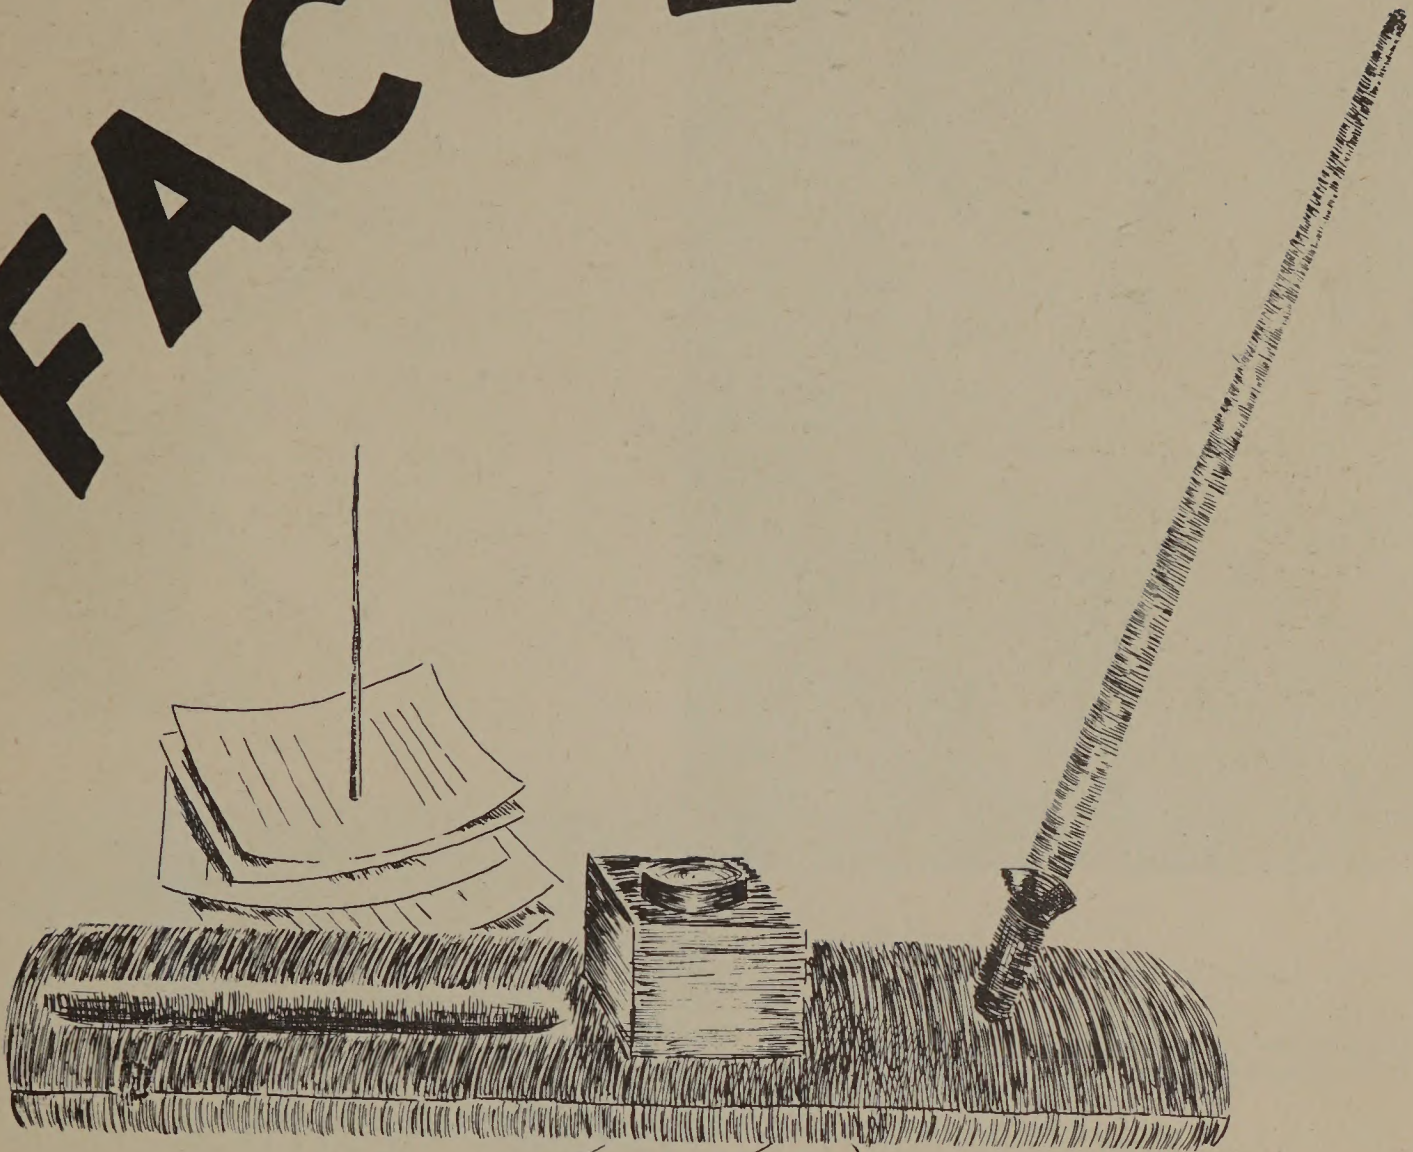

THE Board of Education is the governing body of the school. To them we owe the credit for our fair rules and regulations, our efficient teachers and administration, and the upkeep of our school.

The duties of the Board are many and varied and only a few are listed here. They are charged with the responsibilities, when authorized by the taxpayers, to provide suitable buildings and fuel, and to hire bus drivers and custodians. Also they prescribe the textbooks for courses, regulate admissions, and raise taxes.

To the Board, who has never received due credit, we express our sincere appreciation for all they have done for us in our school years.

CLASS HISTORY

IN THE fall of 1944 we launched our high school career under the direction of Miss Skivington. Our first officers were: Archie Boylan, President; Don Cario, Vice-President; Marie Bauch, Secretary; and Roy Kanous as Treasurer.

Before we graduated we had given three plays, all directed by Miss Skivington, three dances, two tea dances, and had had four picnics. However, during our Freshman year our only activities were our picnic and our participation in Class Day.

On Class Day we presented ourselves as Irishmen in green and white outfits. Our song was to the tune of "MacNamara's Band" and our banner was in the shape of two shamrocks. Aside from these two events, we spent the year trying to get used to high school.

Being 52 strong when we entered high school, we returned to our Sophomore year minus a few members. We suffered additional losses as the years went by which brought us to graduation with only 30.

Our officers for our second year were Marie Bauch, Archie Boylan, Marion Rogers and Franklin Gaessar who set a wonderful pace for our activities. We started our dramatic career with "The Tantrum" which proved our histrionic ability to the school. Our first dance was a peppy "Soph Hop" with Bill Bird's orchestra and "Harvest Moon" as our theme. The cooperation, diligence, and fun we had in giving this dance proved to us that our others would be grand successes.

This year was also the first of the three years that our class won the athletic cup which added it to the collection in the library. We finished this school year with our second wonderful picnic.

Then came our Junior year with its tea dances, prom, another play, and our class rings. We were led by Don Cario, Walt Glover, Bev. Welch, and Teresa Toal. Thinking we didn't have enough to do with the planned activities, we added something new. We sold personalized stationery which was ideal for Christmas gifts. The profit from this was added with the dues toward our rapidly growing fund for our senior trip.

Then came our much anticipated Junior Prom with its theme, "Moon Glow." Our decorations were of delicate pastels and the throne was the shape of a moon banked with yellow balloons. By popular vote, Don Cario and Avis Webster were chosen to be King and Queen. Their attendants were Jack Van Dorn, Beverly Welch, Roy Kanous, and Teresa Toal. This was the main event of the year and everyone was greatly pleased with the success of it.

Again Don Cario led us in our fourth year, the year of graduation! Along with him were Jack Van Dorn, Margaret Frisbee, and Marion Rogers, all of whom worked hard at making this year our best.

We began, as all Senior Classes do with our magazine sale. We worked hard at it and some of us sold magazines in our sleep, so we were happy and tired when the campaign ended.

While we rested and began to realize that we still had classes to attend, our senior play crept up on us and suddenly we were in the midst of rehearsals. It was a riotous three-act play entitled "Ever Since Eve." Hardly had we recovered from this when the Senior Ball, which we had set for the first day of Christmas vacation, was to be gotten underway. We called this the "Snow Ball" and our decorations were all white.

Then there was Christmas, New Years, January exams, and again we were planning, anticipating, and waiting.

There were two events at hand. The first was the completion of the yearbook. We had all worked hard, pictures were taken, articles were written, and at last "our book," the record of our classes, clubs, sports, and other activities, was completed. The second event was our New York trip. We spent a week there that left us breathless and tired! Again it was school and Class Day was close at hand. We wore the traditional maroon and white and sang our last class song.

Graduation - the final event! We had worked hard and had plenty of fun all year and now the time had come to leave. We've had a good four years, and we hope our success will inspire all other classes.

Last Will and Testament

I,

The Class of 1948

of the

town of Confusion, in the County of Innocence and State of

Bliss, being of sound mind and memory, do make, publish and declare

this my last **Will and Testament** in manner following, that is to say:

First. —I direct that all my just debts and funeral expenses be paid.

THE Senior Class leave to Miss Skivington all of our best wishes and good luck. John Dawes leaves his self-made right to sleep in class to Harold Miller. Avis Webster leaves her "Crown" to the incoming queen. Fred Nundy leaves his affection to Pat and Lefty. Dave Day leaves his ability to clean up the gym floor to Ed Ide. Ethel Derosia leaves her secret diet to Donna Pfarrer. Alvan Tenny leaves his knowledge of farming to Ruth Castle. Jeannine Blodgett leaves her shorthand skill to Wanda Sessler. The Senior Class leave to the Juniors their bill of \$.10 which we received from the Seniors of '44. This is payable at Green's. Leo Benn leaves his loud clothes to Mr. Brand. Evelyn King refuses to leave anything but takes it all to Walt. Charlene Talbot leaves her naturally curly hair to Harvey Baxter. Don Cario leaves his formula for getting the family car to Pat Crabb. Margaret Frisbee leaves her high marks to Sylvester Mestler. Arnold Diedrick leaves his girlish figure to Janet Slater. Caroline Jennejahn leaves her geometry book to anyone that wants it. The Senior Class leave to the Sophomores their old silverware left from the class picnics. Marie Bauch leaves the "new look" to Naomi Wietz. Roger Jones leaves his dancing ability to Shirley Cox. Mary Lou Raymond will loan but not leave her "Bower" to all euchre players. Elias Baxter leaves his wisecracks to Eddie Priest. Beverly Welch leaves her poise to Barbara Thurley. Jack Van Dorn leaves his sense of humor to Lois Nichols. Dick Haight leaves his first name "Otis" to Bill Smith. Marion Rogers leaves her ability to get work done on time to "Lefty" LaDue. The Senior Class leave to the Freshman our list of instructions on how not to win friends and influence people. Doris Cooper leaves her shrill voice to Jim Pickworth. Dave Clement leaves his unassuming ways to Jack Kagel. Leora Lemcke leaves her graceful stride to Johnnie Jennejahn. Bea Webster leaves her athletic ways to Lauren MacCracken. Roy Kanous leaves his wavy hair to Bill Foos. Austin Chamberlain leaves additional dry humor to Len Wright. Don McCombs doesn't want to leave--there are too many good things in school. Celia Luffman leaves her giggle to Weldon Spross and Robert Wright.

Signed and sealed this day of our Lord, February 13, 1948

CLASS PROPHECY

*L*AST month I decided, it being ten years since our graduation, to go to Hilton in search of news of our class. I felt extremely lucky because not only was the biggest game of the season scheduled during my visit, but when I arrived a good representation of the class was there. After the game we all adjourned to "Louie's" and became re-acquainted. We found out a little bit about everyone in our class.

We saw Dick Haight sitting in a daze with "Dots" before his eyes.
Of course we all knew that Margaret Frisbee is first woman president of the United States.
John Dawes is setting up competition against O. A. Green.
Doris Cooper is taking "Stubs" at the dances.
Austin Chamberlain is Hilton's greatest motion picture producer.
Celia Luffman is still hoping she'll get her "Driver's" license.
Roger Jones is taking over Arthur Murray's dancing school.
Caroline Jennejahn is running an agency for "Dicks."
Elias Baxter is the latest editor of the Esquire calendar.
Evelyn King is now residing in "Glover's Paradise."
Jack Van Dorn is now a prominent "Figure" on the radio. He is reading off reducing exercises.
Ethel Derosia is running a gas station at Parma Center, selling high octane.
Arnold Diedrick--now Officer Simmons--is still carrying little girls across the street for that kiss.
Marie Bauch is one of the prominent dress designers promoting the "old look."
Alvan Tenny is now on a nationwide tour. He has taken over Harry James' Band.
Charlene Talbot is editor of the Times Union. She is promoting the rights of students.
David Day is in his first term as mayor of Hilton.
Avis Webster is manager of the Rochester Royals.
Jeannine Blodgett is Mayor Day's secretary.
Leo Benn didn't know which service to choose so he joined the Ku Klux Klan.
Mary Lou Raymond is sole cheerleader for the "Independence" team.
To keep up with fashions and "Babe," Don Cario is now wearing the "new look."
Marion Rogers is secretary of her father's union.
Dave Clement is still trying to trade in his '32 Ford for a new Cadillac.
Bev Welch just stopped off to say "hello." She's on her fifth trip around the world.
Roy Kanous is starring in the hit movie of '58.
Don McCombs is author of a book of "Ancient Jokes" which he got from Mr. Wright.
Leora Lemcke is head librarian at the Rundel Library.
Fred Nundy has taken over his cousin's veterinarian practice. Since he started the mortality rate has been high,

Well, I guess that takes care of everyone but me and I'm still trying to write a book on "How to Get That Diploma."

"Bea"

In our Sophomore year we presented "The Tantrum," a one-act comedy, under the direction of Miss Skivington. Presenting a one-act play was something new to us. We soon found that rehearsals called for work and cooperation as well as a good time. The flying of cushions on the stage during a "tantrum" and the ringing of laughter from the audience proved it was a complete success.

ONE-ACT PLAYS

"A Mad Breakfast," presented by the class in our Junior year, also proved successful. It was a one-act comedy under the direction of Miss Skivington. The misunderstanding that a boarding house was an insane asylum really gave the play a spark. After this production we felt that we had had experience for presenting our three-act play in our Senior year.

OUR crowning success in the field of dramatics came with the production of the three-act comedy, "Ever Since Eve." Under Miss Skivington's able direction, and with many hours of fun and hard work, we were rewarded by complete success.

The plot of the play dealt with many complicated problems such as: how should women handle their men, how should men handle their women, how can a school newspaper be published when its editor has the measles, can a "southern belle" capture the affections of all the boys in the school. These many amusing situations kept the audience in an uproar and made the night of November 7, 1947, a memorable one for every senior.

OUR Junior year has been filled with activities which started at the very beginning with the selecting and ordering of our class rings. This year the rings had, for the first time since the war, our school crest.

The Thanksgiving and Christmas Dances we put on were well attended and offered entertainment and refreshments. We even had a Santa Claus for the Christmas Dance.

The big event for us was our Junior Prom. We were planning for it most of the year. It keeps a good committee going, to get decorations, furniture and an orchestra.

Another event of the Junior year was the Junior one-act play which was staged along with the Sophomore play. This play also kept us busy rehearsing from January until March.

We are looking forward to an even busier year when we are Seniors.

*A*UTUMN colored streamers provided a graceful background for our Sophomore dance, "Halloween Hop," on October 24. Marilyn Ophardt was elected as chairman of the dance. Max Raney and the Melody Rangers helped us to draw a large crowd, both young and old, who enjoyed round and square dancing. Our theme for the dance was "Falling Leaves" which blended well with the autumn season.

During the year many of our classmates participated in intramural and inter-class sports. Also the Sophomore Class was well represented on the varsity and reserve basketball teams, cheerleading squad, band, chorus, and library club. Our contribution in the Junior-Sophomore Plays was a one-act play entitled "Elmer and The Love-Bug" on March 19. Our advisor for the year was Miss Smith and our homeroom was in the auditorium.

*W*E started our adventure through high school with an enrollment of 53 people and with the hope that we all will finish together.

As yet we haven't done much of great importance but, like a movie star just beginning the climb to fame, we are looking to our future successes.

Our Freshman Class has done well in interclass soccer this year with the boys getting first place and the girls tying with the Juniors for second place. Since we are very sport conscious, we have high hopes for our future successes in sports. This year we have one man on the varsity basketball team and five men on the reserve team of whom we are all proud. We are equally proud of our four junior varsity cheerleaders.

We feel our class is endowed with many people of talent and we hope to make the class of 1951 outstanding. We have had a good Freshman year and now we are looking toward a successful future in high school and in life.

THE two main activities of our grade this year have been sports and our Christmas party. The eighth grade boys and girls have taken part in intramurals. The boys have played the boys of the seventh grade on several occasions and have always been victorious.

Being a class of good singers, we took part in singing Christmas Carols after which we had our Christmas party in our homeroom. We played games, ate candy and ice cream and had the mistletoe hung in a position where everyone had an equal opportunity. The guest of our party was Mr. DeRitter.

SEVENTH GRADE

THE seventh grade in entering junior high, found that they had to adjust themselves from the ways and rules of the lower grades, to those of junior high. While we were doing this we had to ask about our classes and work continually, but found that our teachers and older classmates were willing to help us. There were other things also, that we had to adjust ourselves to. One of these things was having sports at noon. Almost all the pupils in the seventh grade went in for girls' and boys' intramurals, and enjoyed it very much. Some of the pupils joined library club and find it very interesting and educational. We enjoy our life in high school and are looking forward to the rest of our years here in the Junior High of Hilton High School.

ALTHOUGH excellence in athletics has been the outstanding accomplishment of the class of 1948, we feel that it has carried over into all of our activities the principles of fair play, healthy bodies, and a desire to win. In the 1948 Hiltorial it has been our purpose to emphasize the important part that athletics have played during our high school years and to show how participation in this field is a preparation for the future.

The staff wishes to express its sincere thanks and appreciation to Miss Durrant and Miss Skivington for the long hours and the hard work which they spent in helping to make this yearbook a success. To all those who cooperated so willingly in the difficult task of publishing a successful yearbook, also goes our thanks!

STUDENT COUNCIL

Seated--Boriack, Ophardt, Speers, Van Dorn, Crabb, Mr. Luffman, Covington.
Standing--Verney, Jennejahn, Day, Slater, Avery, Bishop

President Jack Van Dorn
Vice-President Jessie Speer
Secretary Marilyn Ophardt
Treasurer Marilyn Crabb
Chairman of Assemblies . . Margaret Boriack

THE Student Council is an organization of representatives elected by the student body to assist and advise the administration on matters pertaining to student activities.

The council is in charge of such matters as sports, the selection of cheerleaders, the transportation of students to out of town basketball games, and assemblies.

It takes a great deal of time and effort for such an association to reach the point where it is able to plan and run some of the student activities to the satisfaction of both the students and the administration. However, we feel that we have almost reached that point and we hope that in the future, we may perform our duties in the best interests of the school.

BAND

1st row--Radford, C. Clement, D. Clement, Taber, Judd, Chase, Tenny, Jones. 2nd row--Gavigan, Haight, J. Stevenson, L. Chase, Van Dorn, Buell, M. Ophardt, Weitz. 3rd row--Williams, A. Stevenson, Mizma, Luffman, Miss Freer, Avery, A. Ophardt, Langswager, Stranz, Conley

*H*ILTON High School Band--outstanding spirit and cooperation is the least that can be said about them. Again they have added zest and color to our basketball games. Speaking of games have you seen those baton twirlers perform? Aren't they marvelous? Our hats off to Mary Ann Stevenson, their director and Miss Betty Brownell, their teacher. We are looking forward to many thrilling performances. The Band has played for our assemblies, too. The climax for the organization was the Spring Concert, a program in which they performed their best. Good luck kids! We are proud of what you have added to our school and are looking forward to another fine year.

Oh say, have you heard the Mixed Chorus which made its first appearance in the Christmas Assembly? It was thrilling to hear those boys and girls singing together. They love it, too, which showed in the way they sang. Their songs are just what we like to hear--"Comin' Thru the Rye," "I Got Plenty of Nothin'," "Chloe," and "Dry Bones." They like to do Fred Waring arrangements and we like to hear them. We want to see this organization grow. We can be proud to say those are our boys and girls singing. Sing yourselves through another successful year.

Thursday noon our Girls' Sextet gathers around the piano in Room 11 for a rehearsal. If you have heard strains of "Somewhere Over the Rainbow" and "Deep Purple," that was them. They also did a beautiful job on "Jesu Bambino" and "O Holy Night" for the Christmas Assembly. The same as for the other musical organizations, they ended a very enjoyable and successful year by singing in the Spring Concert and commencement exercises.

THE Library Club provides excellent opportunities for vocational training and leadership. During the first year, the girls are so trained in the various library procedures and routines that they can efficiently perform many of the library services for the students and faculty with the guidance of the Librarian. In the following years each girl specializes in some field of library service and assumes responsibility for a particular job.

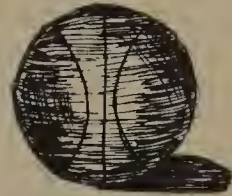

This year because of the number of girls interested in the Library Club, the members were divided into two groups, one group meeting every Monday noon and the second group every Tuesday noon. Besides attending the meetings, each member contributes some time before school, at noon, or during a study hall for typing, desk duty, art work and many other invaluable services.

VARSITY BASKETBALL SEASON

THE Hilton High entry in the Monroe County "B" League had three holdovers, Carl Radtke, Dave Day, and Don Carlo, teamed with Jack Kagel and Bill Smith to form a formidable five that held their own in league play, but lost to most teams in stronger leagues. The team worked hard for the new Coach Tolhurst, who was well liked by members of the team. It is hoped that the boys who will be back next year will have learned much through their experience.

Tolhurst, Rouse, Luffman

*T*HE Junior Varsity this year was a small, but scrappy band of players. They had a fair season, looking good when winning, but only mediocre while losing. The speedsters were the "Midgets" of the team, Ernie King, Gary Blair, and Wilbur Sanders. They worked the ball around Jack Jennejahn and Weldon Spross. Lefty Ladue and Earl Weitz also gave valuable assistance. If this season is any indication, next year's Varsity should "inherit" some fine basketball talent.

TUESDAY nights after school are big nights for the high school girls. Whether it is basketball, baseball, or soccer they play, you can plainly see the whole-hearted effort they put into it.

Girls' Night includes all high school girls who really enjoy sports of any kind, according to the season.

This year the girls participated in several Play Days with different schools, not mainly to win, but for the fun of getting acquainted.

The girls, well guided by Miss Stangland, had a year full of hard work and enjoyment.

GIRLS INTRAMURALS

1st row--Castle, T. Burgess, E. Wright, Betty Terry, Schutte, Wanda Sessler, Beverly Terry, B. Wright, Ulrich, P. Burgess, J. Fowler. 2nd row--Rosecrans, Miss Stangland, A. Webster, F. Diedrick, Nichols. 4th row--Blodgett, Ainsworth, Derosia, Stevenson, Crabb, Slater, Ophardt, Bauch, Ray, Mallaber, Jean Fowler, B. Webster, Luffman, Lemcke

*I*f you were to walk into the gym on a Monday or a Wednesday noon hour, you would see girls from the Junior and Senior high school busy playing intramural basketball. Miss Stangland organized the girls into six different teams: the Coral, led by Bea Webster; the Red, by Wilma Sessler; the Blue, by Mary Lou Raymond; the White, by Avis Webster; the Green, by Arlene Ophardt; the Yellow, by Jesse Speer; the Purple, by Bernice Van Dorn.

Through Miss Stangland's excellent coaching, the girls have developed to a great extent in basketball and all other sports.

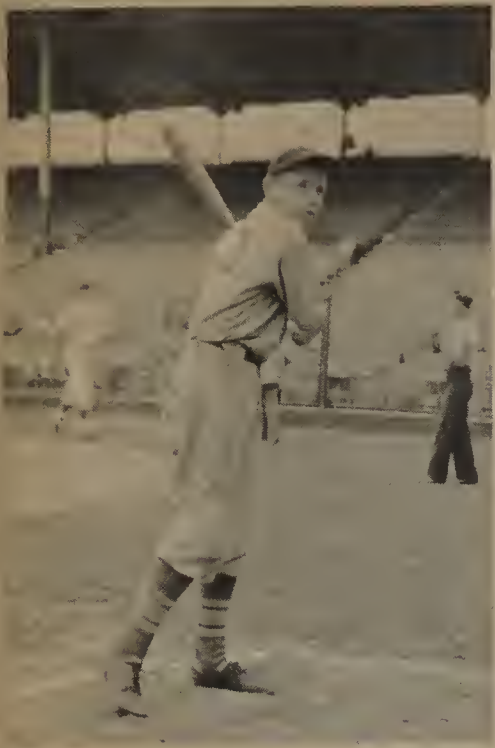

JUNIOR HIGH GIRLS' AND BOYS' INTRAMURALS

1st row--Burgess, M. Boriak, J. Moran, P. Coleman, M. Dodson, Cunningham, Winghart, Clement.
 2nd row--Taber, Arnold, Groters, Conley, Mallar, Koss, Van Dorn, B. Gates, Haynes, Fullington.
